CLASS FEATURE

BEASTFORM

Mark a Stress to magically transform into a creature of your tier or lower from the Beastform list. You can drop out of this form at any time. While transformed, you can't use weapons or cast spells from domain cards, but you can still use other features or abilities you have access to. Spells you cast before you transform stay active and last for their normal duration, and you can talk and communicate as normal. Additionally, you gain the Beastform's features, add their Evasion bonus to your Evasion, and use the trait specified in their statistics for your attack. While you're in a Beastform, your armor becomes part of your body and you mark Armor Slots as usual; when you drop out of a Beastform, those marked Armor Slots remain marked. If you mark your last Hit Point, you automatically drop out of this form.

WILDTOUCH

You can perform harmless, subtle effects that involve nature—such as causing a flower to rapidly grow, summoning a slight gust of wind, or starting a campfire—at will.

RANGER
COMPANION

EVASION

Start at 10

COMPANION NAME

Work with the GM to decide what kind of animal you have as your companion. Give them a name and draw or attach a picture of them in the space above. Then create two Experiences for your companion based on their training and the history you have together. Finally, describe their method of dealing damage (their standard attack) and record it in the "Attack & Damage" section. Their damage starts at d6 and their range starts at Melee.

COMPANION EXPERIENCE

Start with +2 in two Experiences. Whenever you gain a new Experience, your companion also gains one. All new Experiences start at +2.

Example Companion Experiences

Bold Distraction, Expert Climber, Fetch, Friendly, Guardian of the Forest, Horrifying, Intimidating, Loyal Until the End, Navigation, Nimble, Nobody Left Behind, On High Alert, Protective, Royal Companion, Scout, Service Animal, Trusted Mount, Vigilant, We Always Find Them, You Can't Hit What You Can't Find

Make a **Spellcast Roll** to connect with your companion and command them to take action. **Spend a Hope** to add an applicable Companion Experience to the roll. On a success with Hope, if your next action builds on their success, you gain advantage on the roll.

ATTACK & DAMAGE

Standard Attack **Range**

○ **d6** ○ **d8** ○ **d10** ○ **d12** **phy / mag**

When you command your companion to attack, they gain any benefits that would normally only apply to you (such as the effects of "Ranger's Focus"). On a success, their damage roll uses your Proficiency and their damage die.

STRESS

STRESS: ☐☐☐☐☐☐

When your companion would take any amount of damage, they mark a Stress. When they mark their last Stress, they drop out of the scene (by hiding, fleeing, or a similar action). They remain unavailable until the start of your next long rest, where they return with 1 Stress cleared.

When you choose a downtime move that clears Stress on yourself, your companion clears an equal number of Stress.

TRAINING

When your character levels up, choose one available option for your companion from the following list and mark it here.

☐☐☐ ***Intelligent:*** Your companion gains a permanent +1 bonus to a Companion Experience of your choice.

☐ ***Light in the Dark:*** Use this as an additional Hope slot your character can mark.

☐ ***Creature Comfort:*** Once per rest, when you take time during a quiet moment to give your companion love and attention, you can gain a Hope or you can both clear a Stress.

☐ ***Armored:*** When your companion takes damage, you can **mark one of your Armor Slots** instead of marking one of their Stress.

☐☐☐ ***Vicious:*** Increase your companion's damage dice or range by one step (d6 to d8, Close to Far, etc.).

☐☐☐ ***Resilient:*** Your companion gains an additional Stress slot.

☐ ***Bonded:*** When you mark your last Hit Point, your companion rushes to your side to comfort you. Roll a number of **d6s** equal to the unmarked Stress slots they have and mark them. If any roll a 6, your companion helps you up. Clear your last Hit Point and return to the scene.

☐☐☐ ***Aware:*** Your companion gains a permanent +2 bonus to their Evasion.

Your barehanded attacks are as strong as any blade. You have a primary weapon called Brawler's Strike equipped while you have no other Active Weapons. It uses a trait of your choice, has Melee range, and deals **d8+d6** physical damage using your Proficiency (both the d8 and d6 scale off your Proficiency). While this weapon is active, you gain a +1 bonus to your Evasion.

COMBO STRIKE

After rolling damage on a successful attack with a Melee weapon, you can **mark a Stress** to start a combo strike. When you do, roll your Combo Die and note the result, then continue rolling your Combo Die until the result of your latest roll is lower than the roll that preceded it. You deal extra damage equal to the total of all rolled Combo Die results on this attack. The results can't be modified by any means.

Your Combo Die starts as a **d4**. Once per tier, you can increase your Combo Die by one step as a level advancement option.

PATRON'S PACT

You have committed yourself to a supernatural entity—such as a god, fae, or demon—in exchange for power. Write their name below, then work with your GM to determine their sphere of influence (such as Nature, Chaos, Wisdom, Mischief, Love, War, Justice, or Death). Before making an action roll that relates to your patron's sphere of influence, you can **spend a Favor** to call upon their aid, rolling your Patron Die and adding its result to the total. Your Patron Die starts at a **d6** and increases to a **d8** at level 5.

PATRON'S NAME | **SPHERE OF INFLUENCE**

FAVOR

You start with 3 Favor. You can use a downtime move to show tribute to your patron. Describe how and gain Favor equal to your Spellcast trait. Additionally, when you succeed on an action roll with Hope, you can choose to gain a Favor instead of a Hope.
